

Kandy

Sri Lanka

Kandy, the last royal capital of Sri Lanka is a major tourist destination. About 115 km from Colombo at 465 meters above sea level. Famous for the Temple of the Tooth and many other temples the city could be called the cultural capital of the island. This bustling market town is rich in cultural diversity has plenty to offer to the tourists from songs dances and handicrafts to ancient temples and adventure activities. Kandy was a royal capital and the last stronghold of the Kandyan kings against foreign power, holding out against them for about 300 years. The two main Buddhist Chapters are based here and formed the last centre of independent Buddhist thought during colonial times.
